## Meet Denton

Denton is a lovable naïve dragon who lives in a very special place full of wonder and imagination called Bubbleland. Denton stars in 19 beautifully illustrated tales that teach character values to children. *Tales of Bubbleland* is designed to be read aloud to your child. The stories encourage discussions about issues such as is it ever okay to lie and how do we treat people who are different. Children find Bubbleland to be a place of fun, humor, and well-being.
